

And... Action?! Walkthrough (SPOILERS AHEAD)

Romantic Ending (MUST CHOOSE THESE CHOICES)

- *I know he has the drive and passion to pursue this project.*
- *Anything! Why put a limit?*
- *This is new for me. Talking to him just feels so nice.*
- *I want him to be happy.*
- *A token of... I just want to let him know that I will always be cheering him on.*

NPC Ending (EASIEST METHOD TO ACHIEVE THIS ENDING)

- *Valen wasn't any better, and I'll be screwed.*
- *It's common courtesy at this point. I already made a fool of myself.*
- *It'll be rude to hang up. I can wait for him to do it.*
- *I don't want this to ruin the film.*
- *A token of thanks. I gave one to Al and Valen already. It's good etiquette.*

Friendzoned Ending

- Choose any other choices or a mix of them.

(P.S. Due to the finicky nature of the save/load feature, I recommend that if you do save and load at certain choices, be sure to save before clicking on a choice.)
